

Optical Technology Center 2016 Annual Conference- October 4, 2016 Registration Form

The 2016 OpTeC conference will be held Tuesday, October 4th and will feature exciting talks and posters, as well as an afternoon session devoted to commercialization of optical technology. The meeting will be attended by students, faculty, staff, local business representatives, and leaders from the city, county, and state economic development offices. A highlight of the meeting will be the always-popular evening poster session with catered hors d'oeuvres.
